Signs from God. The Messiah comes. We have the end of the World

Signs from God. The Messiah comes. We have the end of the World and already 3th World war. The Mankind faces the Doom and as well the biggest ever experienced Holocaust. Each second Humanbeing ends up in the Pond of Fire. If the Messiah is not coming now (Jesus Christ, Son of God, King of the Jews), God will come as Devil-and Germany brought the entire Mankind into Hell. Owing to the Brandenburger Nazigate in Berlin every Human will be punished as hard as Adolf Hitler. That means Hell forever:Final Solution (Endloesung)

Everyone who doesn't call Mankind into Paradise has got at least the same much Guilt and Dirt at putting like Adolf Hitler an will be punished just as hard. The USA was sworn in to the Bible and is liable with the Final Solution (Endloesung) Death on the Cross forever-

The one who supports Wholesale murderers and Traitors- like especially the USA and other Countries did towards Germany-will be executed as Wholesale murderers and Traitors and sent to the Pond of Fire. Laughing Third Persons are even hardest punished by God.

Since the USA bombed the Cradle of Mankind (The Gulf-War USA and Irak), is the entire Mankind condemned to Hell. When God's Children are getting bombed, pays the Mankind with the Eternal Penalty. That includes also the USA. The Iraq is the Cradle of Mankind, Tigris Euphrat the Beginning of the Bible. Adam and Eve. The one who's the Worldpower Number 1- as it happens to the USA- has got the Main Responsibility for the whole Mankind and is liable now even with the Final Solution. Death at the Cross- Hell forever.

If the USA belief that they could make War on their own account- then they have to count with the eternal Punishment. The USA bombed once before the Cradle of Mankind (1991 Irak) and is already condemned to Hell. But for to make a War needs the USA the Permission of God himself. Which will never be granted.

The Brandenburger Nazigate in Berlin is the Hellgate of Mankind and must be pulled down immediately

Germany turned with the Brandenburger Nazigate Got to Devil-Germany is therefore Nation of Kain and High Treason and brought the entire Mankind into Doom.

Germany has got the Worldpower to bring the entire Mankind into Hell if the Brandenburger Nazigate in Berlin is not pulled down immediately and if there will not be atoned for the second Worldwar. The USA must be careful that they don't come into Hell completely in because the reunion of Nazi-Germany. Who Protects Wholesale murderers and High Traitors like the USA did for Decades, will be executed as Wholesale murderer and as one guilty of High Treason and ends up in the Pond of Fire. The USA raised Nazi-Germany and is liable now for the reunited Nazi-Germany. Germany made an Oath to God and the Leader of the Nazis. That means everything what Germany does fall back to God-Germany caused with that its own Sentence. Which is Death on the Cross and Hell forever. That is now reputed even for entire Mankind. If it would be up to Germany the Mankind would be in Hell already and lost forever. Hence The Mankind must be called now into Paradise. Before a War even takes Place. Anything else means Wholesale murder and High Treason. The condemnation for that is Hell forever.

The USA have got now the Main responsibility for the entire Mankind, and with it also for Germany. The one with the biggest Power must also account for it to God. So the USA is liable for the Final Solution Death on the Cross Hell forever. **Jesus Christ is a Diamond, is our Redeemer-can release**

us from the Guilt and save entire Mankind from Downfall.

Sign from God is no Advertising, but a Message and is reputed for entire Mankind.
